***NEW CONSTRUCTION
 APPLICATION FOR TEMPORARY SERVICE***

In accordance with Texas Administrative Code (TAC) 290.46, Bolivar Peninsula Special Utility District shall complete a Customer Service Inspection prior to providing continuous water service to new construction, existing services where there may be a cross-connection or other potential contaminant hazard, or after any material improvement, correction, or addition to the private water distribution facilities.

Therefore, temporary service may be provided at the location listed on this application for ninety (90) calendar days. ***After this time, if the Applicant has not called for either an extension or a Customer Service Inspection, service will be disconnected with no further notice.*** Reconnection of service will be subject to a \$75.00 account fee.

CERTIFICATION

I understand that until a Customer Service Inspection is performed at the above location, I am receiving temporary water service. The temporary service will expire on the date indicated below and if an inspection has not been performed or I have not called the District office for an extension of time, my service will be disconnected with no further notice. Reconnection of service will be subject to a fee of \$75.00 and I will be required to re-apply for water service.

I further certify that I am authorized to obtain service at the above location and authorized to sign this agreement.
